### FOR THOSE WHO DON'T KNOW HOW GOLF IS SCORED SOME HELP

For your **STROKES** position, the Gross number of strokes has your Handicap deducted from it to give you your final Net Score.

For the **STABLEFORD POINTS** results those players with the same points your position is worked out in what is called Count Back.

Your total points over the last 9 holes are calculated to arrive at your final place.

### AS NO ONE COULD WIN MORE THAN ONE OF THE PLACE PRIZES

The players who came 1st, 2nd & 3rd in the Stroke competition and the Stableford competition were in some instances the same people.

As they could only win ONE prize they had to be adjusted to give the new placings for Winners, 2nd Place & 3rd Places.

**Players listed below for whatever reason NO Card returned  
so not able to credit any score to these players**
